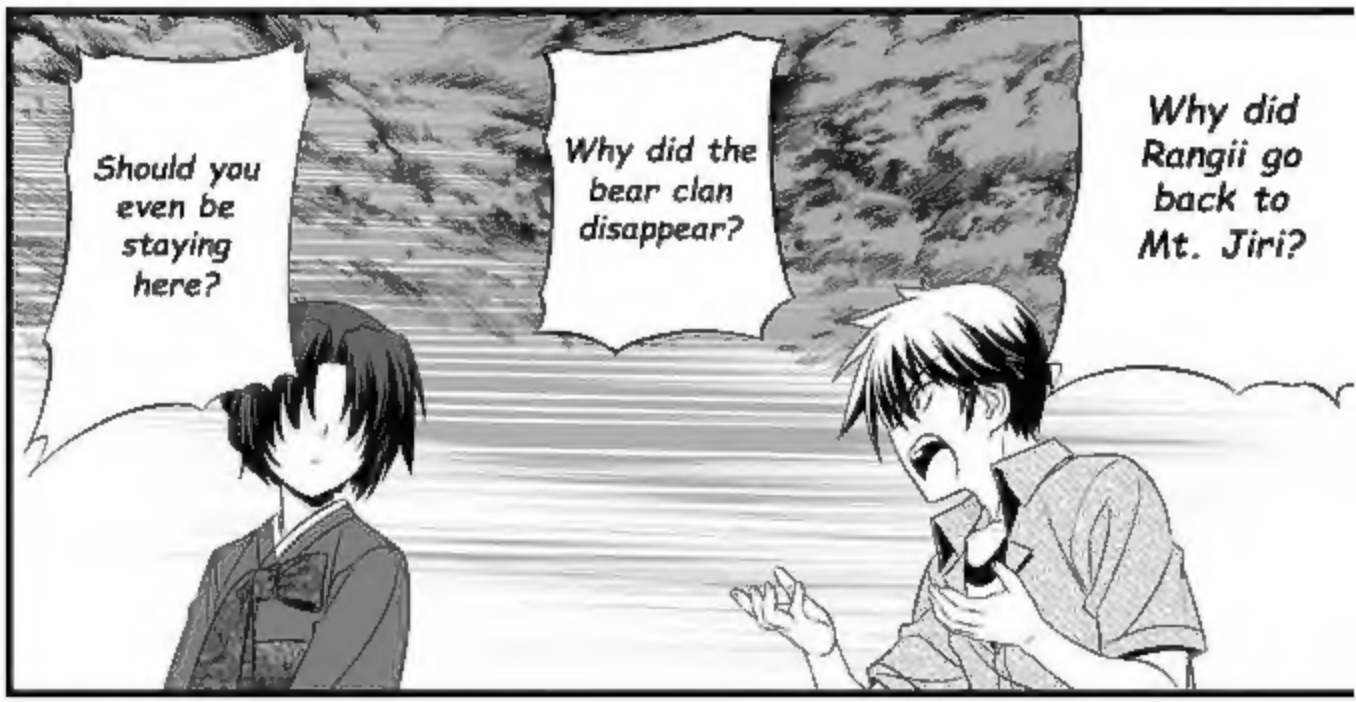
구르르르...
구르르...
In that short instance, the bear clan hid themselves.
Does that mean they have no business with us?
However, that's not important right now.
There's Rangii who left me,
but the dying Narae comes first.

With her powers awaken, sending her to a hospital would cause a bigger commotion.
She'll wake up in a short while.
No need for that.
An ambulence...
119

TN: 119 is the emergency number

I couldn't catch her this time.
If I was calm
If I realized her feelings a bit earlier,
like back then
I could have caught her hand.
I could have caught her.
What is it.

What are you talking about?
Saehee, you know, right?
What's going on?



Should you even be staying here?
Why did the bear clan disappear?
Why did Rangii go back to Mt. Jiri?

PUHAHAHAHA!!
What happened to Rangii...
Pft..

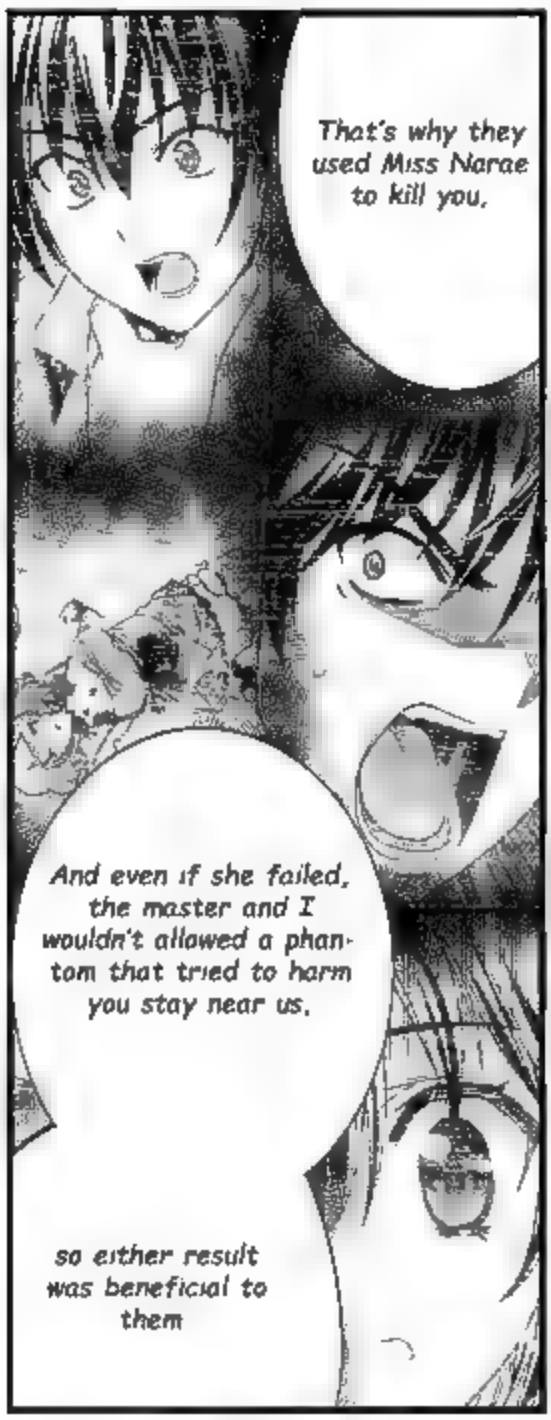
EVEN IN A SITUATION LIKE THIS YOU DON'T UNDERST-NAD?
ARE YOU RETARDED?
YOU'RE A PER-FECT REPRE-SENTATION OF THE PHRASE "IGNORANCE IS SIN"
Don't make a face like you're the victim here. It's disgusting.
I...
REALLY.
IF IT WASN'T FOR THE MAS-TER'S "FINAL" ORDERS, I WOULD HAVE KILLED YOU.
It's a shame.

You wouldn't even imagine that all this happened because of you.
Am I wrong?
What? It's my fault?
Well, I was a bit harsh, that's true... but
was it harsh enough to send her back?
I don't know. I have to figure this out with her in person!
Yes, I don't know.
So call Rangii for me.
SHUT UP YOU SON OF A BITCH!!
I have to apolo-gize...
Kyahaha, you're really stupid, aren't you.

DOES THE MASTER LOOK LIKE A DOG THAT COMES TO YOU WHEN YOU CALL HER?
YOU DON'T EVEN REALIZE THAT ALL THIS IS YOUR FAULT!
I... I... I...
made a mis-take... I know.
THE MASTER TOOK THE ROLE SHE NEVER WANTED TO TAKE, JUST TO SAVE YOU.
AND WITHOUT A SINGLE THANKS, SHE WAS HURT BY YOUR VERBAL ABUSE!
AND WHAT DID YOU JUST SAY?!
that's why... apology...
Too late.

KYA!
Wh, what?
EARTH-QUAKE?
It's too early.
Tch, she's fast on her feet.
My master.
Hng.
M...aster?
Rangii caused this?

My master is forcefully trying to break the seal, this is the after effect.
Yes.
The master will probably forgive me for venting my anger like this.
Listen carefully.
With that thick skull of yours, you probably can't comprehend it, so I'll explain a few things.
What does that mean?
Break the seal?
Wh... what are you doing?
The bear clan's target was not my master, but you.
First,

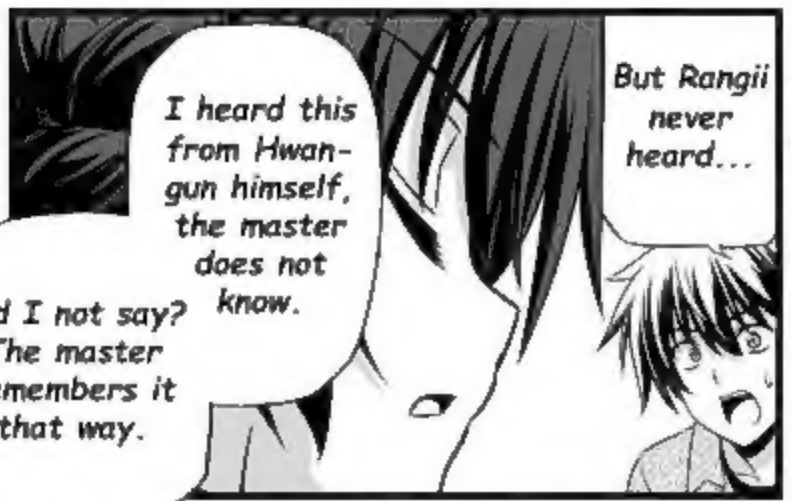


That's why they used Miss Narae to kill you.
And even if she failed, the master and I wouldn't allowed a phantom that tried to harm you stay near us.
so either result was beneficial to them

If she let it be,
the master would figure out what real love is, and would be freed from the seal. That's what she was thinking

Second. 3 years from now-
I'll explain that in the third reason.
Why would they do that?

The seal wouldn't be able to hold the master any longer, and will break. And when it does,
Hwangun and Ungnyeo will come and kill the master.



But Rangii never heard...
I heard this from Hwan-gun himself, the master does not know.
Did I not say? The master remembers it that way.

That is how she remembers it.
Then why didn't you tell Rangii?

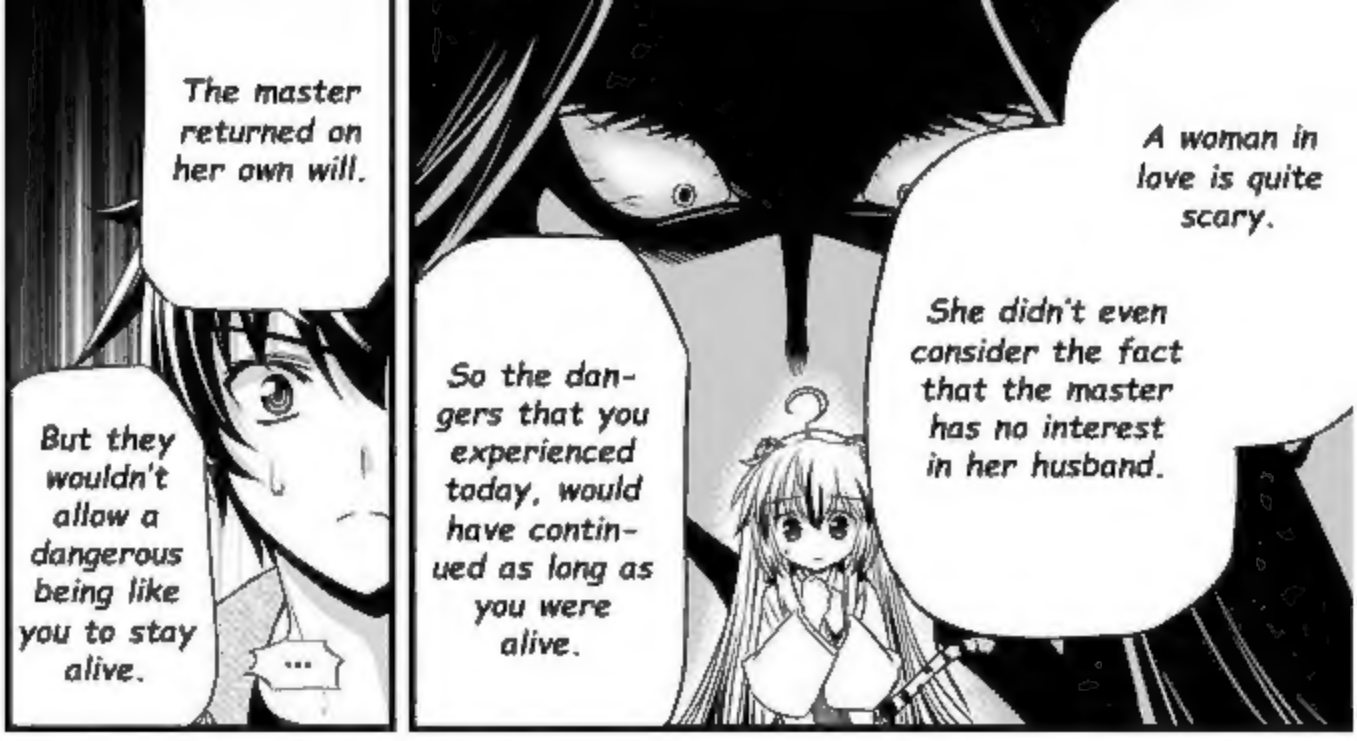
I would have if I could, but it would have changed nothing.
Think about it.
Could you explain what true love is to a child?

No...

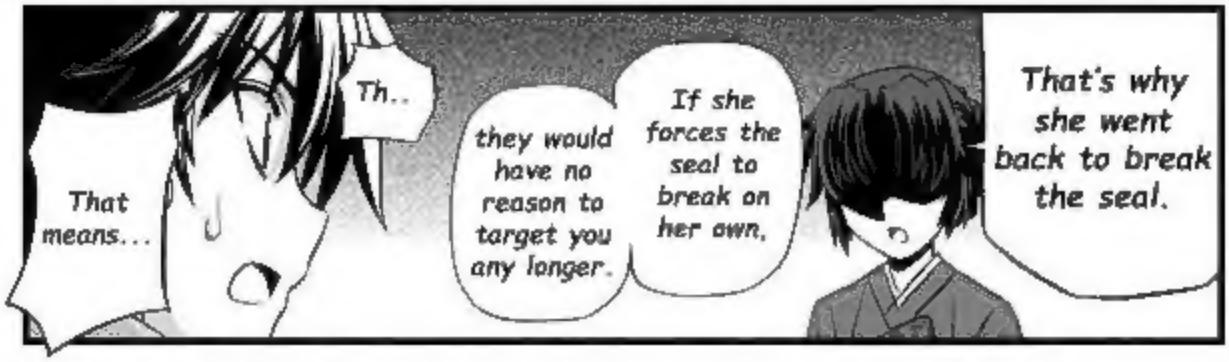
The master realizing what true love is,
was the best option, to avoid the other options.
Should I have explained to her?

That's the reason.
And even if she breaks the seal by force, the only thing left will be her wounds, and the bear clan that's after her.
And if the seal expires, all that's left is Hwangun and Ungnyeo, ready to kill her.

Ku...
That if she doesn't figure out what love is in 4000 years,
she dies?
Third.
Ungyeo doesn't like the fact that my master has an interest in her husband.
So she never wanted the master to figure out what love is, and was waiting for the seal to release.
that way, she could kill the master without recieving hate from Hwangun.
If she let her be, the seal would break.
and it would be the worst case scenario for Ungnyeo.
But the entire thought process is weird!
Let me answer your question from earlier.
She saw that the master was learning love, and made a decision.
She thought that one day she would steal her husband, so she came up with the plan using Miss Narae.
That bitch.
But there isn't a reason to go this far!



The master returned on her own will.
But they wouldn't allow a dangerous being like you to stay alive.
...
So the dangers that you experienced today, would have continued as long as you were alive.
A woman in love is quite scary.
She didn't even consider the fact that the master has no interest in her husband.



That means...
Th..
they would have no reason to target you any longer.
If she forces the seal to break on her own,
That's why she went back to break the seal.

She's trying to die?
